

A quick guide to applying and enrolling for Postgraduate Programmes

Make the most of the opportunities we provide to help you find out as much as possible about the programmes you are interested in.

Are you ready to apply?

Do you have web access or can you come on to campus to our computer labs?

NO

For further information

Phone 0800 61 62 63

For overseas calls

Phone 64 9 308 2386

If you have any problems completing your online application, contact the Science Student Centre:

Phone: 64 9 373 7599 ext 87020

Fax: 64 9 373 7431

Email: scifac@auckland.ac.nz
www.science.auckland.ac.nz

YES

Log on to website www.auckland.ac.nz

New students click on 'Apply Now'.

Returning students click on 'Add/change Programme' button

Complete application.

New students will receive an acknowledgement letter including Net Id and password details for accessing nDeva (the online enrolment system)

Some programmes may require details of the courses you intend to study towards your postgraduate qualification. If these details are required by the programme you are applying for, you will be asked to complete those details.

Your programme(s) will be assessed by the relevant department and the Faculty of Science and if accepted, an offer letter will be sent to your mailing address

Log onto nDeva to see the status of your application(s) by clicking on 'For Applicants' then 'Application Status'

Accept or decline your offer(s) by clicking on 'For Applicants' then 'Accept Admission'

Enrol in your courses.
